

*I have only slipped away into the next room.
Whatever we were together, that we are still.
Call me by name. Speak to me in the easy way
you always did.*

*Laugh as we always laughed at the little jokes we
enjoyed together.*

Pray, smile, think of me - pray for me.

*Let my name be spoken without effort. Life means all
that it ever meant. It is the same as it ever was.*

*Why should I be out of your mind because
I am out of your sight?*

*I am but waiting for you for an interval,
somewhere very near - just around the corner.*

*All is well. Nothing is past; nothing is lost. One brief
moment and all will be as it was before - only better,
infinitely happier and forever - we will all be one
together with Christ.*
