

GOD looked around the garden,  
And found an empty space.  
He looked down upon the earth,  
And saw your tired face. He put  
*His arms around you*  
And lifted you to rest.  
God's garden must be beautiful  
For He only takes the **BEST.**  
He knew that you were weary,  
and He knew that you were in pain.  
He knew that you would never  
be well on earth again.  
He saw the roads were getting rough,  
and the hills were hard to climb.  
So He closed your weary eyelids,  
*Peace be Shine.* and whispered
