

***God's Garden***

God looked around His garden and found an empty place; He then looked down upon the earth and saw your tired face. He put His arms around you and lifted you to rest. God's garden must be beautiful

He always takes the best.

He knew that you were suffering He knew you were in pain.

He knew that you would never get well on earth again.

He saw the road was getting rough

And the hills were hard to climb.

So He closed your weary eyelids, and whispered,

"Peace be thine." It broke our hearts to lose you

but you didn't go alone for part of us went with you

the day God called you home.

## ~Obituary~

“For I am now ready to be offered, and the time of my departure is at hand.
