-Miss Me but Let me go-

When I come to the end of the road

And the sun has set for me.

I want no rites in gloom filled room.

Why cry for a soul set free!

Miss me a little, but not for long

And not with your head bowed low.

Remember the love that we once shared,

Miss me but let me go!

For this is a journey we all must take,

And each must go alone.

It's all a part of the master's plan.

A step on the road to home.

When you are lonely and sick of heart,

Go to the friends we know, and bury your

sorrows in doing good deeds,

Miss Me but let Me go.
