

Saying Goodbye

*A Dad is a man who is always there,
for his family and his kids, and always showing how much he cares.*

*Indeed that was you, and it's time for you to fly, high.
But, it's so hard for us to say goodbye.*

*84 years on this Earth, now your hard work is done.
We was so blessed to have you, and so sad that your gone.*

*Dedicated to your church, you was a true man of God.
For you are his chosen angel, and we now must say goodbye.*

*There's no doubt about it, you was truly a great man.
And, when God called you home, we know that Mommy quickly grabbed your hand.*

*Everyone will truly miss you, and never forget you here on Earth.
But, we all understand that God needed you first.*

You will never be forgotten, and in our hearts is where you'll be.

*Now, go ahead and fly high, and we will miss you dearly.
So, this is our goodbye Dad, until we see you again.*

*From your loving family, your church family, and from all of your friends.
We love you, and goodbye.*
