

Afterglow

*I'd like the memory of me
to be a happy one.
I'd like to leave an afterglow
of smiles when life is done.
I'd like to leave an echo
whispering softly down the ways
of happy times and laughing times
and bright and summer days.
I'd like the tears of those who
grieve to dry before the sun
of happy memories that I leave
When life is done.*

Love Ivanna

*Forever
in our
Hearts*

A Loving TRIBUTE

A Loving Cousin In Heaven

As the sun sets upon this life
And your body is laid to rest
I know you'll be up in Heaven
Because God only takes the best
I know you're watching over me
And it takes away the pain
I will carry you in my heart
Until we meet again
My world is a little darker
Now we're apart
But the Memories are shining brightly
Within this broken heart
You touched the lives of those you loved
And we wanted you to stay
But you were needed up in Heaven
And God whispered "come this way"
I know whenever I'm lonely
And this smile becomes a frown
I'll look up to the sky above
And there'll be an Angel Looking down

Loving Memories

^ALoving TRIBUTE

There's a special angel in Heaven that is apart of me,
It is not where I wanted her to be,
but where God wanted her to be.
She was here but just a moment
like a nighttime shooting star.
And though she is in Heaven,
She isn't very far.
She touched the hearts of many
like only an angel can do.
I would've held her every minute
if the end I only knew.
So send this special message to Heaven up
Please take care of my angel God
and send her all my love.
