

Afterglow

*I'd like the memory of me
to be a happy one.
I'd like to leave an afterglow
of smiles when life is done.
I'd like to leave an echo
whispering softly down the ways
of happy times and laughing times
and bright and summer days.
I'd like the tears of those who
grieve to dry before the sun
of happy memories that I leave
When life is done.*

A Loving TRIBUTE

Mother

God gave me a vessel gifted with the power to birth me You only get #1 born to you but others are sometimes seated posed to be. #1 what a powerful being suited with the natural ability to navigate the world just for me. She is me and I'm her. Drawn to her like a moth to a flame. Wow what a valuable bequeathed this gift of life she allowed to me 6 letters that hold so much Respect-Grace-and Poise. She carries the world on her shoulder. Battered-bruised - tired she pushes on endlessly-wittingly Sun-Star-Moon the positions she holds because 1 require all of her energy & attention A smile-slight glance-conversation-words of wisdom or to be able to utter the sweetest word

Precious Memories...

To My Family

Close your eyes and touch your heart.
That heartbeat you feel is yours and mine.
Together we will always shine.
I am not gone, I have only
changed my address.
When you wish for me to be there,
Just close your eyes and feel me near.
Continue to be strong and make a positive
Mark on the Earth.
Your happiness gave me so much strength,
which caused my joy to overflow.
So just know.....If I had to choose between

*She's in the sun, The wind, the rain, She's in the air you
breathe with every breath you take. She sings a song of hope
and cheer, there's no more pain, no more fear. You'll see
her in the clouds above, hear her whisper words of love, you'll
be together before long, until listen for her song.*

Loving Memories

A Loving TRIBUTE

She Walks in Beauty

She walks in beauty, like the night
of cloudless climes and starry skies;
And all that's best of dark and bright
Meet in her aspect and her eyes;
Thus mellowed to that tender light
Which heaven to gaudy day denies.

One shade the more, one ray the less,
Had half impaired the nameless grace
Which waves in every raven tress,
Or softly lightens o'er her face;
Where thoughts serenely sweet express,
How pure, how dear their dwelling-place.

And on that cheek, and o'er that brow,
so soft, so calm, yet eloquent,
The smiles that win, the tints that glow,
But tell of days in goodness spent,
A mind at peace with all below,
A heart whose love is innocent!

Lord Byron
