

Afterglow

I'd like the memory of me to be a happy one.
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny
days. I'd like the tears of those who grieve, to dry before the
sun of happy memories that I leave when life is done.

My Letter to my Family

To My Family

Close your eyes and touch your heart.
That heartbeat you feel is yours and mine.
Together we will always shine. I am not gone, I
have only changed my address.
When you wish for me to be there,
Just close your eyes and feel me near.
Continue to be strong and make a positive
Mark on the Earth.
Your happiness gave me so much strength,
which caused my joy to overflow.
So just know.....If I had to choose between
loving you and breathing.....I would use my
last breath to tell you....how much
I LOVE EACH AND EVERY ONE OF YOU!
Until we meet again.

A Loving Tribute

"Our Chain Has Been Broken"

*Our chain has been broken, a link is out of place,
God showed his divine wisdom and his amazing grace.*

He saw that your road had gotten rough, and your burden a bit much to bear, he outstretched his loving hand and lifted your spirit in the air. He knew that we would miss you, and many tears would be shed, he sent us his Holy Spirit to comfort us instead. We know that we too, must travel this path, where we will spend eternity, is a question we must ask. Our circle has been broken, a link missing from its place, now is the time to choose Jesus, and his amazing grace.

We love you, Dad!
