

*So go and run free with the angels
Dance around the golden clouds
For the lord has chosen you to be with him
And we should feel nothing but proud
Although he has taken you from us
And our pain a lifetime will last
Your memory will never escape us
But make us glad for the time we did have
Your face will always be hidden
Deep inside our hearts
Each precious moment you gave us
Shall never, ever depart
So go and run free with the angels
As they sing so tenderly
And please be sure to tell them
To take good care of you for me*

Shawn's Life Story

Shawn Christopher Wilson affectionately known as "Shizz" was born in Camden, N.J. to the late Margaret Marie Wilson and George B. Sullivan Shawn was raised in Palmyra, N.C. until his return to Camden, N.J.

He continued his education in the Camden City Public School System where he excelled in Track & Field at Camden High. Shawn accomplished a plethora of other accolades as well.

He methodically displayed his intelligence with each conversation; giving him the title, as his friends would say

"THE GREAT DEBATER" !!

Shawn later established his life in New Castle, DE. with his sister Ainka. He attended Empire Beauty School which led them to become an artistic duo in the Salon. His passion for barbering showed with each impeccable hair cut. Not only did he honed his craft in barbering, but he also was great at Carpentry & Grilling.

Shawn had feet like Frankie Lyman he would tear any floor up dancing and rhyming skills to match. His comedic nature would have you in tears and stomach aches from laughter. Shawn never waived his stance of his Love for basketball. He swore he was NBA bound "lol" till this day. Aside from those traits he had a Protective Spirit and loved his siblings. Above all he was the best Father a daughter could ask for. Shaun (Juicy) as he called her; adored him with each embrace ..

Loving Memories

I am with you and I love you. I am the luckiest dad in the world because I have a front row seat here in heaven, looking down on you and cheering you on as loud as I can. Promise me you will dance in the rain, sing loudly in the car, never take yourself too seriously and live each day like it's your last. Again, please know that I fought to the very last breath I took to stay with you. If I could have just one more day with you I would spend it reading to you, laughing with you and telling you how much I love you.
