

# Loving Memories

## After Glow

I'd like the memory of me,  
To be a happy one.  
I'd like to leave an afterglow  
Of smiles, when life is done.  
I'd like to leave an echo,  
Whispering softly down the ways.  
Of happy times and laughing times,  
& bright and sunny days.  
I'd like the tears of those who grieve,  
To dry before the sun.  
Of happy memories that I leave behind  
When my life is done.  
"Love William"

Daddy,  
 Although you won't physically be here, I know that  
 you'll always be near.. Close to my heart and never  
 apart.. They say that time heals all wounds, and I find  
 that hard to believe..  
 Getting over your absence is a goal I know I'll never  
 achieve.. I promise to make you proud, sharing the  
 love I have for you ever so loud!!  
 Daddy, in you I know I will forever have a friend.  
 Until we see each again..
