

Loving Memories

*Forever
in our
Hearts*

After Glow

I'd like the memory of me,
To be a happy one.
I'd like to leave an afterglow
Of smiles, when life is done.
I'd like to leave an echo,
Whispering softly down the ways.
Of happy times and laughing times,
& bright and sunny days.
I'd like the tears of those who grieve,
To dry before the sun.
Of happy memories that I leave behind
When my life is done.
"Love Alfred"

Your kind expression of sympathy and friendship will always remain in our memories. Thank you for your thoughtfulness

Loving Memories

You can shed tears that he is gone, or you can smile because he has lived. You can close your eyes and pray that he'll come back, or you can open your eyes and see he has left. Your heart can be empty because you can't see him, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday or you can be happy for tomorrow because of yesterday. You can remember him and only that he's gone, or you can cherish his memory and let it live on. You can cry and close your mind, be empty and turn your back, or you can do what he'd want, smile, open your eyes, love and go on.

You gave no one a last farewell nor ever said goodbye! You were gone before we knew it and only God knows why! In life we loved you dearly. In death we love you still, in our hearts you hold a place no one can fill! It broke my heart to lose you, but you didn't go alone for part of me went with you the day God called you home. We will meet again someday I know you in a better place, I look forward to hearing your voice again or just to see your face. If tears could build a stairway and memories a lane I'd walk right up to heaven and bring you home again. Your life was a blessing your memory a treasure you are loved beyond words and missed beyond measure!
