

Afterglow

*I'd like the memory of me
to be a happy one.
I'd like to leave an afterglow
of smiles when life is done.
I'd like to leave an echo
whispering softly down the ways
of happy times and laughing times
and bright and summer days.
I'd like the tears of those who
grieve to dry before the sun
of happy memories that I leave
When life is done.*

Love Yadira

Family and Friends

You can only have one mother

Patient kind and true; No other friend in all the world, Will be the same to you when other friends forsake you, To mother you will return. For all her loving kindness, She asks nothing in return. As we look upon her picture, Sweet memories we recall, of a face so full of sunshine, and a smile for one and all. Heavenly Father, take the message, to our dear mommy pretty as a dove, Tell her how we miss her and give her all our love.

Your gentle touch,
Your tender care.

A smile as
Bright as sunshine

A heart of no compare.

A spirit that will
Flow forever,
In the memories
WE SHARE.

Loving Memories

A Loving TRIBUTE

Hello everyone, where do I start?

We all lost a mother, a cousin, a sister, a friend and an aunt. My mom was the sweetest and strongest person I knew. Her laugh was so contagious where it wouldn't be a day where I would walk in my parent's room just to sit there and laugh with her. I have so many emotions that I just cannot explain. I lost my mother, my best friend, my world somebody that made sure I had everything I needed for me to be successful in school, for me to never say "I didn't have this growing up". Sad to say overtime my mom lost her closest family members. We would never let her sit there and get depressed, we always did family day, when we would go out and you made sure you would put a smile on our faces. You was the best mom I could of ever ask for. Thank you for loving us. Mommy I will always love you. Rest your eyes till I see you again.
