*I'll always love you Denise.
I will miss you. Our cups of coffee
in the morning and our talks we had
together. Your smile, your funny
words and singing. You fought a
long hard battle and God saw you
were tired and said come home my
child and rest. I will see you in
heaven one day.*

LOVE MOM

*My witty sister Denise, your presence always filled the room with
laughter. You always told a funny joke and I will miss that.
Thinking of all the great memories we enjoyed and shared together
were priceless. You taught us what true love was and how to love each
other no matter what. Rest now in the arms of God where there is no
more pain and suffering. See you when I get there.*
