Forever In My Heart

*The moment that you left me,
my heart was split in two;
one side was filled with memories;
the other side died with you.*

*I often lay awake at night when the world is fast asleep;
and take a walk down memory lane with tears upon my cheek.*

*Remembering you is easy,
I do it every day;*

but missing you is a heartache that never goes away.

*I hold you tightly within my heart
and there you will remain;
you see life has gone on without you,
but will never be the same.*
