To My HUSBAND...

*Meeting you was fate. Becoming your friend was a choice.
But falling in LOVE with you was beyond my control.
Thank you for accepting & loving me, flaws and all. I still
don't understand why this had to happen to you. Your
battle is now over no more pain & suffering baby. Even
though I'm broken into pieces right now I know you're
in a better place and one day I will see you again. Until
we meet again watch over me my Guardian Angel and
spread your wings out wide wrap them around me and
just hold me tight. I will miss you forever and always,
but I will never forget you & the LOVE we shared.*

I LOVE YOU JUNIOR...♥ Tanya.
