*Poem*

Please rejoice with me, my dear,  
That now my joy's complete,  
I'm gazing at His lovely face, I'm resting at His Feet...  
I have no fear, distress or pain,  
He wiped my tears away, And all is beautiful and new,  
No night – just endless day...  
The glory of God is everywhere,  
The lamb is the Light thereof,  
There's streets of gold, gates of pearl,  
And all is perfect love...  
I'm so glad to be with Him  
And free from all my sorrow,  
No more death or anxious thought Of what will be tomorrow –  
So, my dear, don't grieve too long  
But raise your head and smile  
Because all this I'll share with you  
In just a little while.

*Acknowledgment*

Perhaps you sent a card, or sat quietly in a chair.  
Perhaps you sent a floral piece; if so, we saw them there.  
Perhaps you spoke the kindest words, as any friend would say.  
Perhaps you were not there at all; just thought of us that day.  
Whatever you did to console our hearts,  
We thank you so much, whatever the part.
