

Though You've Never held me in your arms or gazed upon my face
Though You've never held my little hand and led me on my way
though you've never read me bed time stories or bounced me on your knee
Though you haven't stood for hours As in awe you watched me sleep
Though you haven't knelt with me to pray or tucked me in at night
Though you've never kissed my little cheek to make my whole world right
These are the things I dream of and I know that you do too
and though we haven't met,
Daddy I Love You.
