Biography

Aron Cleveland Rodgers was born on the 12th of June in 1984. To Aron C. Williams Jr. and Joyce R. Rodgers (both deceased).

Born and raised in East Cleveland, Ohio, he attended Prospect Elementary, Kirk Middle School and Shaw High School. He grew up on Page Avenue and Emily Street known as Man-Man. Where he met people, who turned out to be lifelong friends with unbreakable bonds. Although he didn't play sports in school, he was fluent in Martial Arts. He won many trophies that were even taller than him. After he mastered Martial Arts, he then found his passion for Music and Entertainment as a Rapper, in which he also wrote his own music and countless others. Aron had found his talent in the music industry and was determined to be the best at it. He wouldn't let anything stop him despite his illness. Aron was diagnosed with Juvenile Diabetes at the young age of 5yrs old. He battled that illness the majority of his life. He always kept a million-dollar smile on his face, with a personality that was out of this world. Going on to make a name for himself as "Lil' Chico A.K.A. Cheek Da Freak". He was a Battle Rap champion. Chico would go from club-to-club Battle Rapping and kept the crowd rocking. He was absolutely a PHENOMINAL performer. He worked with numerous artists on and off stage. His style of Rap was inspired by Bone Thugs-N-Harmony, that lead him to meeting them and forming a brotherly bond. He also worked for 107.9 FM on the Street Team. He lived life to the fullest! Chico had a positive impact on everyone he encountered, and everyone loved Chico! He loved to laugh, joke and flirt with the ladies." If Chico didn't flirt with you, you were ugly!", he defiantly lived up to his name. His heart was pure, if he told you, "he loved you" he meant it. Chico loved everyone, especially the kids.

On the 1st day of October 2021 God ended his battle and called him home. His Grandparents, Betty Grooms and Dessie Gray preceded him in death. Chico was 37yrs old and leaves behind his brothers, Andre' Rodgers Sr. (Yolanda) and Floyd Gales (stepbrother) and sisters Erin Rodgers and (stepsister) Janee Gales. Two children Armani C.C. Rodgers (son) and Raeshawn Terry (daughter), and a host of Aunts, Uncles, Cousins, Nieces (2), Great Niece (1), Nephews (5), Great Nephew (1) and an Abundance of Friends/Family.
