

Remember Me

Don't remember me with sadness, don't remember with tears, remember all the laughter we've shared throughout the years. Now I am contented that my life it was worthwhile, knowing that I passed along the way I made somebody smile. When you are walking down the street and you've got me on your mind, I'm walking in your footsteps only half a step behind. So please don't be unhappy just because I'm out of sight. Remember that I'm with you each morning, noon and night.
