Celebrating the life of
Amara D. Curry

Amara was born on Tuesday October 11th, 2022, to Kevin Curry and Tyshia Daniels. Some of Amara's favorite things to do was snuggle, be patted on the butt, and listen to her sissy Nova talk. Her favorite movie was Finding Dory. At two months Amara was already holding her head up, making noises, was very alert, and always trying to escape her boppy.

Amara was the sweetest baby. You could feel her sweetness and how special she was just by being in her presence. She didn't need much to keep her content. Snuggles and milk were more than enough. Amara spent 4 months of her life in the hospital. Despite everything she endured she remained her sweet and feisty self. When you walked into her room you could feel her sweetness. She didn't fuss much so of course all the Nurses and Doctors adored her. She stole the hearts of many with her big pretty eyes and sweet smile. Some of her nicknames were Scruch (mommy), Sissy (Nova), Booty (TT Heaven), Pretty Girl (Nana), Girlfriend (daddy) and the Nurses favorite "The Girl in Pink". Amara fought her battle with strength and grace just like the meaning of her name. On the morning of April 12th God spoke, said no more, and called our baby home. She spent her last moments the same way she came into this world. With her mommy and daddy by her side.

Amara, we are proud of you. Job well done, your strength and grace will always be an inspiration to us. May you rest peacefully, our Butterfly baby. We love you always and forever.

Forever Amara Strong

Amara leaves the following to hold her memory: Brother Kevin Curry Sr. and Sister Nova Walton. Grandpa's: Robert Daniels and Kevin Curry. Grandma's: Ieshia Daniels and Jackie Cage. Great Grandparents: Jimmie & Janice Daniels, Delores Tate, Patricia Curry, Lois Cage Slater, Aunts: Heaven Tate, Brenda Curry, Keonna Curry, Kah' Lia Johnson, and Sierra Rosser. Uncles: Jaden Daniels, Kevon Smith, Braylon Crosby, Jaylen Crosby. Godmother: Chelsea Cunningham and two godsisters. A host of other aunts, uncles, and cousins.

"Our Butterfly"

A butterfly lights beside us like a sunbeam....
For a brief moment its glory and beauty belong to our world...

But then it flies on again...

Although we wish our butterfly could have stayed
We are so thankful to have experienced her at all
Well done our baby, your grace and strength will
Forever live on.

"Gods Garden"

God looked around his garden, and he found an empty place.
Then he looked down upon the earth and saw your tired face.

He put his arms around you and lifted you to rest.

God's garden must be beautiful, he always takes the best.

He knew that you were suffering, he knew you were in pain.

He knew that you would never get well on earth again.

He saw the road was getting rough, and the hills were hard to climb.

So he closed your weary eyelids and whispered "Peace be Thine".

It broke our hearts to lose you, but you didn't go alone.

Mommy and Daddy were with you the moment God called you home.
