

Don't think of her as gone away
Her journey has just begun
Life holds many facets
The Earth is only one
Just think of her as resting
From the sorrows and tears
In a place of warmth and comfort
Where there are no days and years
Think how she must be wishing
That we could know today
How nothing but our sadness
can really pass away
And think of her as living
In the hearts of

those she touched
For nothing loved
is ever lost —
And she was loved so much.

Her Journey

Acknowledgement

Perhaps you sent a lovely card or sat quietly in a chair. Perhaps you sent a floral piece, if so, we saw it there. Perhaps you prayed a sincere prayer or came to pay a call. Perhaps you sang a cheerful song, if so, we heard it all. Perhaps you spoke the kindest words, as any friend could say. Perhaps you prepared a tasty dish, or maybe furnished a car. Perhaps you rendered a service unseen, near at hand or from afar. Whatever you did to console our hearts, by word or deed or touch. Whatever was the kindly part, we thank you, oh so very much.
