Remember Me

*Don't remember me with sadness, don't remember with tears,
remember all the laughter we've shared throughout the years.*

*Now I am contented that my life it was worthwhile,
knowing that I passed along the way I made somebody smile.*

When you are walking down the street and you've got me on your mind,

I'm walking in your footsteps only half a step behind.

So please don't be unhappy just because I'm out of sight.

Remember that I'm with you each morning, noon and night.
