

CELEBRATING "LONDON LAVISH"

A Message for my Family and Friends

When I am gone, release me. Let me go. I have so many things to see and do. You must not tie yourself to me with tears; be happy. We had so many years. I give you my love and I thank you for the love you have shown me; but now, it's time I travel alone. So, grieve a while for me, if grieve you must. Then let your grief be comforted by trust. If you need me, call me and I will be near. If you listen with your heart, you'll hear all my love around you soft and clear. And when you come her way, I'll greet you with a smile and say, "Welcome Home."

Expression Of Gratitude

To have Lavesha in our lives was a blessing to know unconditional love. Our family's jewel was a loving, selfless, courageous, and inspiring woman of God. Her life example taught that love is indestructible and only increases by being shared. To those of you who shared her amazing journey in life, we thank you and ask that you continue to carry on her legacy of love, peace, and sharing in your lives. Our family is forever grateful for the outpouring of love, text messages, phone calls prayers, encouraging words, acts of kindness, and spiritual support. We ask that you continue to keep us in prayer as we will remember you. May God bless you all.

I'm Still with You

If it seems that I am far away
on this empty and solemn day
Just open your heart and know it's true
that I am still right here with you.
If during the day things are going wrong
please don't feel sad and alone.
Just open your heart and know it's true
that I am still right here with you.
When night time falls and the day is done
If you are feeling alone and sleep won't come
Just open your heart and know it's true
that I am still right here with you.
Close your eyes, and feel the warm embrace
Sleep peacefully in the wings of grace
If sadness finds you in the morning light
if you feel alone, don't give up trying
Hold this feather close and know it's true
that I am always here with you.

As We Look Back

As we look back over time
We find ourselves wondering
Did we remember to thank you enough
For all you have done for us?
For all the times you were by our sides
To help and support us
To celebrate our successes
To understand our problems
And accept of defeats?
Or for teaching us by your example,
The value of hard work, good judgement,
courage and integrity?
We wonder if we ever thanked you
For the sacrifices you made
To let us have the very best?
And for the simple things
Like laughter, smiles and times we shared?
If we have forgotten to show our
Gratitude enough for all the things you did,
We're thanking you now.
And we are hoping you knew all along,
How much you meant to us.

Grief is like living two lives. One is where you pretend that everything is alright and the other is where your heart silently screams in pain. The hardest part of healing after you've lost someone you Love is to recover the you that went away with them.

Granny love you!

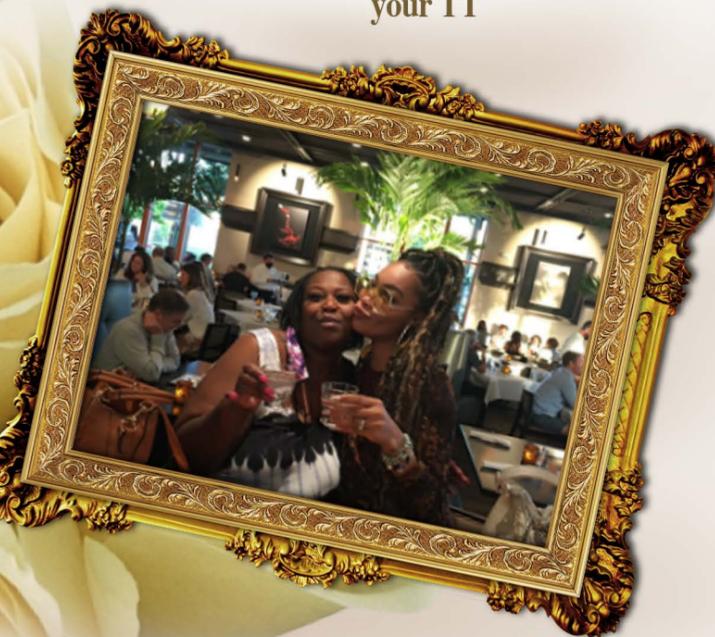

Only an aunt can give hugs almost as good as your mom, can keep secrets like your sister and share love like a friend.

Love your Princess, Brooklynn

Your graceful journey started 12/2/88. When I laid eyes on you, I knew you would be great. Whenever you walked in a room, your energy, beauty and love was felt. Just like a beautiful rose I watched you grow and bloom. My memory of you will always be, until we meet again,

your TT

A Mothers Love

The moment that you left me, my heart split in two. One side filled with memories, the other side transition with you. I often lay awake at night when the world is fast asleep and take a walk down memory lane with tears upon my cheek. Remembering you is easy, I do it everyday; but missing you is a heartache that never goes away. I hold you tightly within my heart and there you will remain. You see life has gone on without you, but it will never be the same.

Love Mom, always

Sister Sisters

A Phoenix has risen – The phoenix represents rebirth, renewal, immortality and healing. To be absent in the physical body means to be present in spirit. You have emerged from a catastrophe stronger, smarter and more powerful. Forever you will be my Phoenix, forever you will rise, forever in our hearts you will remain. You never be missed only remembered as you are. Until we meet again Sela,
Love Bee

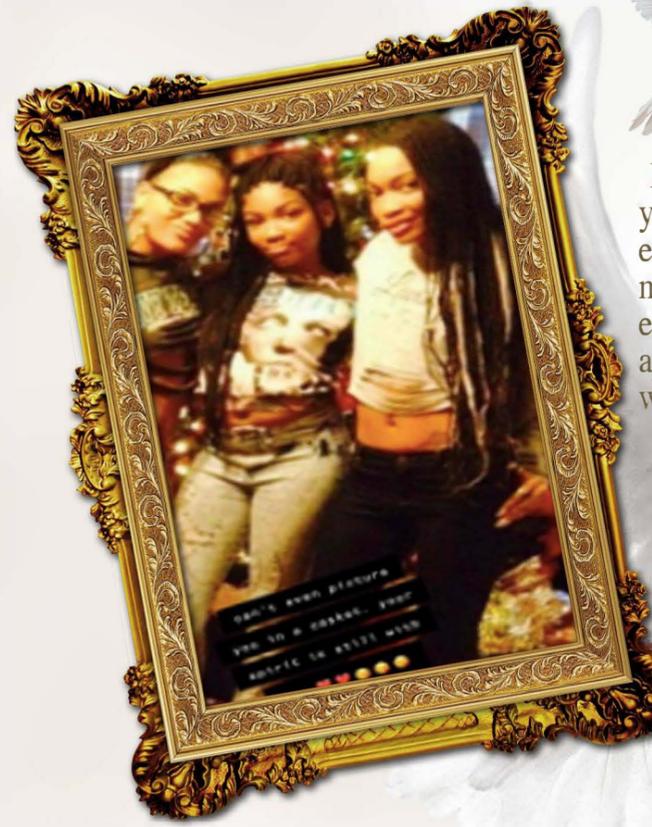

My sister! My biggest supporter! What wouldn't you do for your sisters? I'm grateful for the love we have, the accomplishments we achieved and the memories I hold. Although we had our separate lives, we shared a common theme. You made me aware of my ambition and ALWAYS encouraged me to follow my dreams. Thank you so much sister, my best friend. You are one of the greatest gifts my heart will ever know. What a legacy, what a life
Xxoxo, Erykah

The Importance of a Sister – A sister is someone who loves who from the heart. No matter how much you argue you cannot be drawn apart. She is a joy that cannot be taken away. Once she enters your life, she is there to stay. A friend who helps you through difficult times, her comforting words are worth more than dimes. A partner who fills your life with laughs and smiles, these memories last for miles and miles. When she is by your side, the world is filled with life, when she is not around, your days are full of strife. A sister is a blessing, who fills your heart with love, she flies with you in life with the beauty of a dove. Whether you are having ups or downs, she's the to help with a smile and never frown. With a sister you cannot have a grudge, she is as sweet as chocolate and as smooth as fudge. Having a sister is not just a trend, it is knowing you can always turn to her, your best friend.

Love your baby sis, Atlantiss

I sit here and ponder how very much I'd like to talk to you today. Without you here, my heart breaks more and more each day. I still think about the times we had and the memories we shared, how you loved to dress me up and even do my hair. You'll always be our sister, we're never far apart, for every time I think of you, you'll be right here, deep within my heart.

Love Destinee

Never forget that I Love You. If I could give you one thing in life, I would give you the ability to see yourself through my eyes. Only then would you realize how special you are to me. Because of you, I laugh a little harder, cry a little less and smile a lot more. You are irreplaceable. You are one of those people who make me life better just by being in it. Thank you so much for being such an inspiration. Thank you for your wisdom, strength and hope throughout the years. You will forever be my angel.

Your Angie Bey, love Amber Champagne
