Obituary

Mrs. Claudette Singleton Haygood was born on September 28, 1964. Our beloved Claudette, also known as "Care Bell", transitioned on November 12, 2022.

She was the youngest of six children and a native of Florida. Claudette graduated from Plantation High School and the College of Florida, where she earned an Associate's Degree in Patient Care Technology. A few years later, she worked in Law Enforcement as a Correctional officer for the State Of South Carolina and dedicated ten years of loyalty and service to the organization. She also obtained a career at Husqvarna Outdoor Products working in the logistics department, as well as, in other areas and was a valuable asset to the company.

Claudette's children and grandkids were her entire life, she had a way of making each grandchild feel as though they were all her favorites. She would give them second and third chances and somehow could get them off punishment early. Their education and happiness were of high priority to her, and she was very supportive in their sporting events and dance competitions. Most importantly, she taught and instilled in her grands to be confident and to go after the goals and dreams.

Claudette is preceded in death by: her mother, Oceal Singleton; father, James Black; son, Jimmie Haygood Jr.; brothers, Willie Bell and Anthony Singleton; and sister, Jennifer Singleton.

Claudette leaves to cherish fond memories with: her husband, Jimmie Lee Haygood Sr.; daughter, Shandease Haygood; son, Christopher Haygood; brothers, Erskine Welch, Eddie (Gina) Butler; sister, Anna (Kenneth) Miller; sister-in-law, Val Bell; grandchildren, Antoine Irrick, Imani Haygood, Christopher Haygood Jr, Aiyon Haygood, Sean Haygood and Jayden Haygood; and a host of nieces, nephews, family, and friends.

From a Loving Son

She was an amazing mother, friend, sister, and person. My mother was a character. She could make you smile in every conversation if she chose to. She always said I have no opinion while adding her opinion. But she always spoke her truth, so you never had to guess where you stand. As a grandmother she loved her grands more than ever. She smiled at the fact the kids all have good grades, and was happy they did no sports anymore, I think. She always reached out to family and was so proud of them. As a mother she was light, strong, mean, loving, and everything. I am 34 years old man, and she still dressed me and brought outfits for my sister. She complains about it but took pride in doing it. She taught us hard work and no matter how hard it gets keep pushing. Finally, as a person. My mother was a woman of God. From reading her Bible, to listening to music. She hated no one, she talked about you but still praised your wins in life. For a woman who said she don't talk to people she found joy in talking to everyone. She always told me to be gone from the body is to be present with the Lord.

Rest Easy, Mother
