## *The Broken Chain*

*We little knew that morning,  
that God was going to call your name.  
In life we loved you, dearly,  
in death, we do the same.  
It broke our hearts to lose you,  
but, you didn't go alone;  
For part of us went with you  
the day God called you home.  
You left us peaceful memories,  
your love is still our guide.  
And though we cannot see you,  
you are always at our side.  
Our family chain is broken,  
and nothing seems the same.  
But as God calls us one by one,  
the Chain will link again.  
We love and miss you ever so much.*

### *She is Gone*

You can shed tears that she is gone,  
Or you can smile because she has lived.

You can close your eyes and pray that she will come  
back, Or you can open your eyes and see all that she has  
left.

Your heart can be empty because you can't see her,  
Or you can be full of the love that you shared.

You can turn your back on tomorrow and live yesterday,  
Or you can be happy for tomorrow because of yesterday.

You can remember her and only that she is gone,  
Or you can cherish her memory and let it live on.
