

A Hero's Welcome

Time to come home dear brother
Your tour of duty through
You've given as much as anyone
Could be expected to do.

Just a few steps further
The smoke will start to clear
Others here will guide you
You have no need to fear.

You have not failed your brothers
You dearly gave it all
And through your selfless actions
Others will hear the call.

So take your place of honor
Among those who have gone before
And know you will be remembered
For now and evermore.
