WHEN I'M GONE

When I come to the end of my journey
 And I travel my last weary mile.
 Just forget if you can, that I ever frowned.
 And remember only the smile.
 Forget unkind words I have spoken.
 Remember some good I have done.
 Forget that I ever had heartache.
 And remember I've had loads of fun.
 Forget that I've stumbled and blundered.
 And sometimes fell by the way.
 Remember I have fought some hard battles.
 And won, ere the close of the day
 Then forget to grieve for my going.
 I would not have you sad for a day.
 But in summer just gather some flowers
 And remember the place where I lay.
 And come in the shade of evening.
 When the sun paints the sky in the west
 Stand for a few moments beside me.
 And remember only my best.
