To My Beloved Donna

*I would that I could utter
the words my heart so surely knows
About you that 'woman for all seasons'
Spring, Summer, Autumn and Winter snows.*

*You lived them all so fully
on the pilgrimage of your life
Loved by all who knew you
Donna my beloved my wife.*

*The six children you gave life to
carry on your legacy of love
Paying it forward to all they encounter
gently guided from above.
Whatever life presented you
would always see it through
Living God's greatest Commandment
"Love one another as I have loved you"*

Love forever: Jerry
