*Family ties are precious things
woven through the years,
of memories of togetherness,
of laughter, love, and tears.*

*Family ties are cherished things,
forged in childhood days,
by love of parents, deep and true,
by tradition, by family ways.*

*Family ties are treasured things
and far though we may roam,
the tender bond with those we love
still pulls our hearts towards home.*

The Family would like to express their gratitude
for your kindness and your support.
