I Thought

*I thought I had time
I thought you had time
I thought we had time
The memories good and
Bad will always be there
I thought we had time to
Make better memories
I wanted more but time
Came and went
The day passed and
With them the time
Slipped away from us
I'm sad and hurt we didn't
Take advantage of time
While you were still here
We let words build a gap
And waste so much time
I can only wish now that
Our time spent together
Was longer*

Uncle

*If I could write a story
It would be the greatest ever told
Of a kind and loving Uncle
Who had a heart of gold*

*I could write a million pages
But there's one thing I would say,
Just how much I love and miss you
Every single day.*

*You were a firm foundation
Through all the storm of life,
A sturdy hand to hold onto
In times of stress and strife.*

*A true friend I could turn to
In times of good and bad,
One of life's greatest blessings
The best Uncle I could have had.*
