

To my daughter

Never forget that "I love you". Life is filled with hard times and good times. Be brave, be bold, and be beautiful. Just do your best. Keep your face to the sunshine and you cannot see the shadows. Life isn't about waiting for the storm to pass. It's about learning to dance in the rain. Enjoy the ride, and never forget your way back home. I didn't give you the gift of life. Life gave me the gift of you.

With love and kisses, Mom
