

My Love

They say all good things must come to an end,
But I selfishly wanted you longer because
you were my best friend.

Sleep peacefully baby.

We were supposed to grow old together.

Manifest dreams together.

Move mountains together.

Love our grandchildren together.

Now it's sad, dreary weather.

Sleep peacefully baby

You brought out the smile in me.

You made sure to do right by me.

There was no limit to how far you would go for me.

Your love will endlessly live in me.

Sleep peacefully baby.

Forever thankful for your grace.

Forever thankful for your rightful place.

Forever thankful for the memories that will never erase.

Sleep peacefully baby.
