

Dear Mother,

Our hearts are heavy, and our world has been torn apart. You were all we had in this world and now we have to learn how to live without you. You were a strong woman; who raised three strong women. Nothing in this world can ever take your place. We're so thankful, grateful, and proud to have had you as our mother. We are all left with your personality and characteristics although Latoya tops the cake. We want you to know you made us proud and hopefully we'll continue to make you proud. We had plans for you when you came back home to us; but God had plans too. We needed you, but Lamont needed you more. You will forever live in our hearts. Until we meet again Mother, we'll ALWAYS and FOREVER LOVE YOU! You no longer have to worry about anything else on this Earth; just keep an eye on us!

RIP Dear Mother

Love Always,
Latoya, Melissa, Barbara

In Loving Memory of Our Sister

Sister since you passed away life just hasn't been the same. I would move Heaven on Earth to have you here with us again. The time we spent together meant the world to me. Your laughter and your precious smile as we grew up. I'm so grateful for the years we had and the closeness that we shared your heart so kind and thoughtful.

I always knew you truly cared.

You were a wonderful sister Mamie. We miss you to no end, but more than just our sister. We have lost a very special friend. Sister we love you until we met again.

Grandma,

We want to thank you for showering us with love that could never be matched. Since day one you've been there for us, no matter what. Losing you has not been easy. It's been fairly tough to understand why you had to go so soon. You were so special. Your love, effort, support, honesty, strength, and will made you who you were. A phenomenal Grandmother, and an outstanding "Gigi." We also want to thank you for being a listening ear & your ability to even hear the unsaid! We love you so much Grandma. You were so beautiful inside and out.

Now you're Heavens most beautiful angel.

You'd always say "bye is forever, it's see you later!"

So until we meet again!
