*They say there is a reason
they say time will heal
Neither time or reason
will change the way I feel*

*Gone are the days we
used to share but in my
heart you are always*

*There the gates of memories
will never close I miss you
more than anybody knows*

*Love and Miss you
Till we meet again*

Precious Memories

*When tomorrow starts without me
And I'm not here to see
If the sun should rise and find your
eyes
All filled with tears for me*

*I wish you wouldn't cry
The way you did today
While thinking of the many things
We did not get to say*

*I know how much you love me
As much as I love you
Each time that you think of me
I know you will miss me too
Miss me, but let me go,*
