

## ORDER OF SERVICE

### *If Roses Grow In Heaven*

*If Roses grow in Heaven  
Lord, please pick a bunch for me.  
Place them in my Mother's arms  
and tell her they're from me.*

*Tell her that I love her and miss her,  
and when she turns to smile,  
place a kiss upon her cheek  
and hold her for a while.*

*Because remembering her is easy,  
I do it every day,  
but there's an ache within my heart  
that will never go away.*

*I Love you Brother,  
your sister Bernice*

## The Day God Called You Home

*The day that god called your name  
it broke my heart in two  
but heaven needed an Angel  
and the one he picked was you.*

*I just wish he could have waited  
and let you stay with me  
but you have left memories in my heart  
and that's where they'll always be*

*I just wish I could rewind the clock  
Or make it turn real slow  
I just wish I could have hugged  
you one more time before you had to go  
no matter how much time will pass  
you will always remain in my heart.*

*Throughout each passing day  
I think about how things could have been,  
just wishing you were still here by our sides  
but knowing god had a better plan for  
his precious angel up in the sky.*

*Love your niece, Juanita*
