

With sorrow we must say goodbye,  
But your memories will forever live on.  
Because of what you mean to us  
the loneliness will always remain,  
but because of the love you have shown  
and gave us, you'll live always in  
our hearts. We love you forever and always!  
Michael, Sherwonda, Gretta and Jennifer

Dear Momma,  
You hurt us with this one. You left to soon, but I  
know you're in a better place. We love and miss  
you Ma, it's gonna be hard but you raised me to  
be a strong woman. I'll continue to be the  
woman you raised and take care of everyone  
until we meet again. I love You.  
I'm gonna miss your smile.  
Love Your Daughter, Tybreia

As I Knew Her  
Janet was a loving and caring person who loved so  
much not only did she love parents, sisters,  
brothers, cousins and friends. If she didn't know  
you, she still didn't mind saying hello. She loved  
kids, and kids she didnt know (lol). She would  
babysit kids I havent seen before and as time went  
by she loved them like they were hers, and they  
loved her. She found many friends by the love that  
she shown to others.  
Take your rest sis you did your best.  
Love Your Sister & Bro
