God saw you getting tired,
And a cure was not to be;
So he put his arms around you, And whispered,
"Come to me" With tearful eyes we watched you,
And saw you pass away;
Although we loved you dearly, We could not
make you stay.
A golden heart stopped beating,
Hard working hands to rest.
God broke our hearts to prove to us, He only
takes the best.

To My Father

I never thought this day would come so soon. I never thought I would be living in this crazy world without you. I never thought you would leave us like this. But God knows best. You were always there for me wrong or right even when you knew the decision I was making wasn't the right one you just shook your head folded your arms and laughed. I will cherish every moment the Lord allowed me to have with you. You set the bar pretty high for a man who wants to be apart of my life. My you rest in paradise in no more pain. Until we meet again watch over us

Dad we love you.
