OBITUARY

Jody Terry was born January 5, 1972 in Ozark, AL. He was the son of Annie Jean Pearson and the late Will Dawkins. Three boys completed this happy family circle. He attended Carroll High School in Ozark, AL, and was a very talented football player. He graduated from Carroll High School in 1991. He enjoyed watching many sports, but football was his favorite. Jody was a huge fan of The University of Alabama Football Team - ROLL TIDE!!

Jody joined St. Rose Missionary Baptist Church early in life and later joined St. Mark A.M.E. Zion Church, where he was a member of the Sons of Varick, Male Choir and a member of the Culinary Committee. When St. Mark had a fish fry or barbecue at church, Jody was the main cook or assisted in any way that was needed. You could often find him LIVE on Facebook, showing off his "chef skills" to those who were watching. He loved to fish, hunt, and play cards with his family and friends. He was always willing to help others in any way that he could. Jody enjoyed "sitting under the tree" with his favorite uncles, Pokie and T-Bo. He always talked about his "boy" Isaiah, of whom he was very proud. Many times, they would spend the entire day together, enjoying each other's company and strengthening the bond that they shared. He was loved by all who knew him and will truly be missed.

All of Jody's relatives and friends lovingly called him Jody, Uncle Jody, and "Shiznick", a nickname given to him by his brother, Ferrette. He is preceded in death by his grandmother, Emma Jean Terry; his grandfather, Otis Terry; a brother, Manelito Calhoun Truett; an uncle, Reverend Otis Terry; and a cousin, Ladina Knight.

Precious memories remain with those who loved him and were touched by his life. GOD SAW YOU GETTING TIRED

God saw you getting tired,
When a cure was not to be;
So he wrapped His arms around you,
And whispered, "Come unto me."
You went quietly and peacefully,
Fly away and take your rest,
We will always remember the special times;
For this, we all are blessed.
So when we realized you were sleeping,
So peaceful and free from pain,
We couldn't wish you to come back,
To suffer all again.

THE MASTER'S CALL

*We wanted to be there when you said good-bye,
Hold back the tears and try not to cry.
To be real strong, and even pretend,
That we understood why your life must end.
To hold you in our arms and oh, so close;
Then release you to God and His Heavenly Host.
But it was too late, when we received the call,
You had already answered to the Master's call.
All that was left for us to do,
Was to pray for strength to carry us through.*
