

Melissa (Missy)

We love you so dear,
"There are teardrops in our eyes"

You fought a silent battle,
"There are teardrops in our eyes"

As your star shines brightly in the skies,
"There are teardrops in our eyes"

We won't fear, because we know you are near,
"There are teardrops in our eyes"

So long for now, never goodbye.
When we think of you,
"There will always be Teardrops in our eyes."
