

## "Afterglow"

I'd like the memory of me  
To be a happy one.  
I'd like to leave an afterglow  
of smiles when life is done.  
I'd like to leave an echo  
Whispering softly down the  
ways, of happy times and  
laughing times and  
bright and sunny days.  
I'd like the tears of those who  
grieve to dry before the sun,  
Of happy memories  
that I leave  
When my life is done.

## "Safely Home"

I am home in Heaven, dear ones;  
Oh, so happy and so bright!  
There is a perfect joy and  
beauty in the everlasting light.  
All the pain and grief is over,  
every restless tossing passed;  
I am now at peace forever,  
safely home in Heaven at last.  
There is work still waiting for you,  
so you must idly stand,  
do it now, while life remaineth--  
you shall rest in God's own land.  
When that work is all completed,  
He will gently call you home;  
Oh the rapture of that meeting  
oh, the joy to see you come!
