Dear Heavenly Father,
Honestly, right now our hearts are troubled. But Your Son tells us that in Your house are many rooms. If this weren't true, He would not have told us so. Nor would he have told us that He was going to prepare a place for us there. Your Son also said that He will return and take us with Him so that we can be where You are. Lord, I know that a place was prepared for him there. Lord, we pray that the idea of Ernest living eternally with you brings peace to our hearts. Amen.
