

I'm Free

Don't grieve for me for now I'm free, I'm following the path God laid for me.

I took His hand when I heard Him call: I turned my back and left it all.

I could not stay another day to laugh, to love, to work or play.

Tasks left undone must stay that way; I found my place at the close of day.

If my parting has left a void then fill it with remembered joys.

A friendship shared, a laugh, a kiss, ah yes, these things I too shall miss.

Be not burdened with times of sorrow: I wish you the sunshine of tomorrow.

My life's been full, I savoured much; good friends, good times, a loved ones touch.

Perhaps my life seemed all too brief: don't lengthen it now with undue grief.

Lift up your heart and share with me; God wanted me now, He set me free.
