"Brotherhood"

Being among the brotherhood
Is more than just a name.
Seeking peace and unity
Is greater than seeking fame.
It teaches how to give respect,
To demand it in return,
When we unite together,
That's how we really learn.
If or when we make mistakes,
The brotherhood lets you know
That is how we stay united.,
That is how we learn to grow.

"When I Lost You"

I wish I could see you one more time,
come walking through the door.
But I know that is impossible,
I will hear your voice no more.
I know you can feel my tears and
you don't want me to cry,
Yet my heart is broken because I can't understand
why someone so precious had to die.
I pray that God will give me strength
And somehow get me through...
As I struggle with the heartache
That came when I lost you.
