

"Tribute to My Sister"

Words will never take the place of the hurt in me .

We have been together since the day you were born.

We have been through a lot together.

*From working in the tobacco field, me trying to throw
worms on you, and you helping me cheat in Spanish
class so I could play football .*

*My love for you will never die and I live knowing you
went home knowing that to be true ! I love you sister .*

Rest in peace baby girl!
