

# *They Say There Is A Reason*

*They say there is a reason,  
They say that time will heal,  
But neither time nor reason,  
Will change the way we feel.*

*For no-one knows the heartache,  
That lies behind our smiles,  
No one knows how many times,  
We have broken down and cried.*

*We want to tell you something,  
So there won't be any doubt,  
You're so wonderful to think of,  
But so hard to be without.*

*We cannot bring the old days back  
When we were all together  
The family's chain is broken now  
But memories live forever!*
