

I am Free

*Don't grieve for me, for now, I'm free;
I'm following paths God made for me.*

*I took his hand I heard him call;
Then turned, and bid farewell to all.*

*I could not stay another day
To laugh, to love, to work, or play.
Tasks left undone must stay that way;
I found my peace at the close of the day.*

*If my parting has left a void
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss,
Ah yes, these things I, too, shall miss.
Be not burdened deep with sorrow;
I wish you the sunshine of tomorrow.
My life's been full; I've savoured much;
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief;
Don't lengthen it now with undue grief.
Lift up your hearts and share with me;
God wanted me now; He set me free.*
