

If Dad were alive today,  
he would want to express his  
gratitude for the many friendships  
over the years and all those memories  
of friends and family!

Sincerely, The Dover Family

### **The Ship of Life**

Along the shore I spy a ship  
As she sets out to sea;  
She spreads her sails and sniffs the breeze  
And slips away from me.

I watch her fading image shrink,  
As she moves on and on,  
Until at last she's but a speck,  
Then someone says, "She's gone."

Gone where? Gone only from our sight  
And from our farewell cries;  
That ship will somewhere reappear  
To other eager eyes.

Beyond the dim horizon's rim  
Resound the welcome drums,  
And while we're crying, "There she goes!"  
They're shouting, "Here she comes!"

We're built to cruise for but a while  
Upon this trackless sea  
Until one day we sail away  
Into infinity.
