

I'm Alive

Modified by: Abigale

Do not stand beside my grave and cry,
Because I am not there;
I am still alive.

I'm the sunlight sparkling on the grains of wheat.
I'm the cool ocean breeze in the summer's dense heat.

I'm as free as the wind that makes the leaves quiver.
And as alive as the water that rushes down the river.

So do not miss me,
Because I was never gone.
I'm with you like the stars
That shine until dawn.

So please,
Do not stand beside my grave and cry,
Because I am not there;
I have not died.

Lovingly Submitted,
Your Sisters and Brothers

It Will Never Be Goodbye

If I should go tomorrow
It would never be goodbye,
For I have left my heart with you,
So don't you ever cry.
The love that's deep within me
Shall reach you from the stars,
You'll feel it from the heavens,
And it will heal the scars.

To My Children & Grandchildren

Too Soon

Everyone has their time,
But why did yours have to come so soon?
There are so many people in the world,
So why did God have to pick you?
They say things like this make you stronger,
But how can that be?

We feel so weak inside; it all feels like a dream.

We didn't get to see you;
You passed away too soon.
But we feel you watching over us,
And someday, we'll finally see you.
