

Work Woman

I've got the children to tend, The clothes to mend

The floor to mop, The food to shop

Then the chicken to fry, The baby to dry

I got company to feed, The garden to weed

I've got shirts to press, The tots to dress

The can to be cut, I gotta clean up this hut

Then see about the sick, And the cotton to pick.

Shine on me, sunshine, Rain on me, rain

Fall softly, dewdrops, And cool my brow again.

Storm, blow me from here, With your fiercest wind

Let me float across the sky, 'Til I can rest again.

Fall gently, snowflakes, Cover me with white

Cold icy kisses and, Let me rest tonight.

Sun, rain, curving sky, Mountain, oceans, leaf and stone

Star shine, moon glow, You're all that I can call my own.
