### Tributes

They teach us life lessons growing up like "good things and loved ones don't last forever" and "Time waits for no one". Somehow all that was forgotten and everything stopped when I found out the day you, my godson was called home. I just want to tell you I love you more than you will ever know. That beautiful smile in my heart will forever show. So much heartache transpired when you had to go, however, before you left you gave us hope. I understand somehow you had to go to grow but you didn't just leave me/us in pain, you left your glow. A beautiful gift from a beautiful soul. I love you Caizen. Watch over us and you will forever be imbedded in my heart and if I'm lucky enough we will meet again.  
Godmom, Dais

Dear Grandson,  
I'm crying as I write this to you. It's hard for me to say my goodbyes before I had the chance to say my Hello, this is something that will forever haunt me! I just want you to know that my love for you is immeasurable and it will never fade. Please carry it with you in spirit, as I will do the same. God called you home because your purpose here was complete. You are now who God created you to be, which is an angel. You brought so much joy and love to everyone you encountered in life. It is now time for you to spread your wings and fly high my precious grandson. Although, you will be sadly missed, you will never be forgotten. It makes my heart smile, knowing that you're in perfect peace. Kiss your uncle Darnell and your great-grandmother Evangeline for me. I love you, Caizen

Caizen,  
1 Thessalonians 4:13-14 says, "But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him." This hurts but I know that you are with God and Nonnie will see you again! I love you my
